WHY US?

- Having a Vision to be a Learning Organisation pushes us to implement Best Practices always.
- Thorough Knowledge of Customs Act, Laws and Procedures that help us deliver best services in the fastest time.
- We have written procedures in place for each work that we do that ensures 100% Compliance of Law and quickest timeline for Customs Clearance.

- We have developed a 4 point Aspect Checklist that ensures our Compliance team to verify each and every import shipment in completeness.
- This ensures our Customers Win at all times an example being one of our Customers saving upto 30% of Basic duty that they were paying earlier as our compliance team pointed out the benefit that they could avail. This led to the customer issuing a Testimonial for us in the very 1st shipment handled by us which is attached to this PPT later.
